GreenShield Coverage

We are not able to obtain your plan details (such as amount of coverage, number of visits already billed, etc.) from the GreenShield online information (confidentiality issues). We can contact GreenShield while you are in the office, and they will give the information to you. Or, if you are in the office after Green Shield is closed for the day, you can take this form home, phone them during their business hours, and bring the information with you to your next visit.

We also need you to sign the bottom indicating that you want GreenShield to pay us directly for your treatments.
